FUN KOALA FACTS!

-  Koalas are not bears! Koalas and wombats are cousins and look alike. Koalas live in trees and wombats burrow under the ground.
-  Koalas sleep all day long...they sleep for 18-20 hours each day because the gum leaves don't give them very much energy! They sleep during the day and eat at night.
-  Koalas don't drink much water. They get most of their water from gum leaves.
-  Your mum was pregnant for 9 months but koala mums are only pregnant for 1 month!
-  Koalas DO have a very small tail but you need to look very hard to see it!
-  Koalas have an upside down pouch!

QUICK KOALA QUIZ!

1. How many poos do koalas do each day?! a) 1 b) 2 c) 100-150! d) 0
2. What do koalas eat? a) Straw b) Gum leaves c) Fruit d) Grass
3. How many thumbs do koalas have? a) 6 b) 2 c) 0 d) 20
4. What size is a koala when it is born? a) A jelly bean b) A hot water bottle c) A watermelon d) An apple

Answers: 1.c, 2.b, 3.a, 4.a

HOW YOU CAN HELP MY "WILD" MATES

Plant a gum tree for us to live in!

Tell your Mum and Dad to drive carefully at night because koalas and other animals may be crossing the road!

Help your parents to look after your dogs and cats! Keep them inside at night and feed them so they don't hunt koalas and other animals!

Visit Currumbin Wildlife Sanctuary, the home of Blinky Bill, to learn more fun facts about all of our animals and ways you can encourage wildlife into your own back yard! Head to www.cws.org.au for more details!
