MANDELA'S LIFE GOAL

In this quote, you have one of Mandela's powerful statements. It was part of the speech he had made before he was sent to prison. It's...

During my lifetime, I have dedicated myself to this struggle of the African people. I have fought against white domination, and I have fought against black domination. I have cherished the ideal of a democratic and free society in which all persons live together in harmony and with equal opportunities. It is an ideal which I hope to live for and to achieve. But if needs be, it is an ideal for which I am prepared to die.
